

# LE VIEUX PIN

## *Vaïla Pinot Noir Rose 2018*

Made with the “presse method” this rosé is produced from the gently pressed juice of Pinot Noir grapes and entirely steel tank aged. It is a serious, yet fun, delicate wine absolutely perfect for summer. The 2018 Vaïla sits at a perfect 12.9% alc./vol. and presents a very pale salmon colour along with explosive aromas of rhubarb sorbet, pink grapefruit rind and the amazingly bright and crunchy red bramble fruit BC rosés are increasingly becoming known and famous for. Sunshine captured in a bottle.
