

LE VIEUX PIN

Vaïla Pinot Noir Rosé 2022

Strawberry, Rhubarb, Grapefruit
Mineral, Earthy, Bright, Refreshing

Made with the “presse method” this rosé is produced from the gently pressed juice of Pinot Noir grapes and entirely steel tank aged. It is a serious, yet fun, delicate wine perfect for the summer. The 2022 Vaïla comes in at 12.6% alc./vol. and as usual presents a very pale salmon color along with explosive aromas of rhubarb sorbet, pink grapefruit rind and the amazingly bright and crunchy red fruit BC rosés are increasingly becoming known and famous for. Sunshine captured in a bottle.
